Procurement Announcement

Project Management Office for the Digital Infrastructure for Capital Market

Association of Thai Securities Companies, The Thai Bankers' Association, and The Stock Exchange of Thailand ("SET") (collectively referred to as the "Offeree") have agreed to develop and manage the Digital Infrastructure for Capital Market ("DIF") as the Main Operator (the "MO"). The Offeree is seeking to retain a partner or a group of partners (the "Bidder") to fulfill the role of a project management office (the "PMO"), as well as to perform other duties for the DIF project (the "Project").

Qualifications of the Bidder

- i. The Bidder must possess professional experiences in the role of PMO and assessor for a large-scale project in a relevant sector that involves a wide range of stakeholders often with conflicting objectives.
- ii. Due to the complexity of the Project, the proposal can be submitted by an individual organization or jointly submitted by a consortium comprising of skills that contribute to the high-quality execution and deliverables. However, the lead partner of consortium needs to be specified and shall be held fully responsible for the completion and success of the Project.
- iii. The Bidder must meet additional qualifications required by the Offeree which will be further informed.
